BLUES-ROCKER TINSLEY ELLIS TO PERFORM IN OMAHA!

Thursday, August 9, 2012
 The 21st Saloon • 4727 South 96th Street

"Blistering, inspired roadhouse blues and passionate Southern rock, super-charged guitar and gritty, soulful vocals." -Relix

Blues-rocking guitarist/vocalist Tinsley Ellis will perform at The 21st Saloon in Omaha on Thursday, August 9, 2012. Ellis will be performing songs from his latest Alligator release, *SPEAK NO EVIL*. Over the course of 11 albums and literally thousands of live performances, Ellis is one of today's most electrifying guitarists and vocalists. What's New with BluesEd?

Latest Gigs and News

Our bands have been busy playing at Stinson Park and Werner Park before Omaha Storm Chaser's games and are gearing up for our future performances at Sumter Amphitheater, McKennas, and the Aksarben Village Ribfest. Our musicians have also been attending workshops with our BluesEd clinicians where they are learning new songs and enhancing their performances. Finally, local band Blue House invited a few BluesEd students to play with them in June at Sumter Amphitheater. The students had a great time!

July Workshop with Sue Foley and Peter Karp

Our BluesEd students were thrilled to attend a workshop on July 5 with songwriters and blues artists, Sue Foley and Peter Karp, who were in Omaha for a performance with The Nighthawks. Peter and Sue shared stories of their diverse professional experiences with the students along with songwriting and performance tips. The students enthusiastically embraced the knowledge and many mentioned after the workshop that they learned a great deal that they can apply to their future performances. Our BluesEd students so appreciate the mentorship they receive from professional musicians both locally and around the country!

Upcoming Performances

Sunday, August 5 - BluesEd Showcase at Sumter Amphitheater - All BluesEd Bands - 5:00-9:00

Saturday, August 11 - McKenna's - All BluesEd Bands - 12:00-???

There will be no pussy-footin here... This is by-god truck driving country! Dale speaks his mind no doubt about it, and if you didn't catch it he will repeat it fer ya! The Zoo Bar was absolutely packed tonight. My first viewing of Dale and what a treat he is, likes to mix it up with the crowd and he just has a blast doing his thing.

Dale got mobbed after the show but I hung around to thank him for the show and purchase a CD and a vinyl 45 RPM, when I caught up with Dale I told him I was glad I had come this night because of the brutal day I had at work... "Bad day" Dale asked? "Monumental" I replied, adding "it will be back tomorrow, but it's gone tonight" Dale cocked his head a bit and said "ooh I like that, just might hear that in a song" Have at it Dale, public domain baby!

2012 is shaping up to be the year of **Bonnie Raitt**. On the heels of releasing *Slipstream*, a bold, soulful effort that marks her first studio release in seven years, Raitt embarks a 70-city tour this spring. Full of heated guitar solos and Raitt's trademark slide guitar, *Slipstream* is available for presale now at iTunes and Amazon. The album hits all major music retailers nationwide on April 10, including 7,500 Starbucks in North

America, which will feature the album track 'Down To You' as their Pick of the Week.

Special guest, gospel legend Mavis Staples, opens Raitt's show.

Raitt teams with her longtime touring band of James 'Hutch' Hutchinson (bass), Ricky Fataar (drums), and George Marinelli (guitar), with the new addition of Mike Finnigan (Joe Cocker, CSN, Etta James, Jimi Hendrix) on keyboards. Said Raitt of her band, "They're all incredibly talented and we fit like a glove...we've got a great thing going and can't wait to get back out on the road."

Greetings to the Blues Society of Omaha

Bill Martin has decided to step down as President of The Blues Society of Omaha. Bill explained that his new job is taking up more time and energy and he does not feel he can dedicate the necessary time that the BSO President position requires.

Per The Blues Society of Omaha's bylaws, BSO's Board of Directors has voted into effect immediately the following changes:

Mark Grubbs will move from Vice-President to President.

Glenn Bauer will now serve as Vice-President of BSO. Glenn is a 10+ year member and volunteer for BSO, in addition to being a fill-in DJ on PS Blues, on 89.7, The River.

I am confident Mark and Glenn will succeed in their new positions and BSO will continue to be one of the finest Blues organizations in existence today.

Are you ready to step up and contribute more to BSO? BSO Needs You — Event Sponsors Needed — Please email me at blueterryo@gmail.com if you are able to help.

Terry O'Halloran

Brandon Miller writes: "Curtis Salgado had to cancel his Hullabaloo performance due to surgery for lung cancer. This is sad news but we have another great artist coming in to take his place. Walter Trout will be headlining Sunday night 8/5. He has been a member of Canned Heat, John Mayall's BluesBreakers, and toured as the guitar player for many other greats including John Lee Hooker and Big Mama Thornton! He was also named the #6 best guitar player of all time by BBC Radio!"

CD 105.9, Omaha's Classic Rock, is excited to announce that Lindsey Buckingham is coming to Whiskey Roadhouse on Friday, August 31st! Tickets to the show are on sale at Ticketmaster.com and all Ticketmaster outlets.

Special thanks to BSO Lincoln representative **Moe Jasinski** and **Stevie Laguzza** who set up and managed the BSO tent at the Zoo Bar 39th Anniversary Street Fest. They sold merch, **renewed memberships** and also handled the sale of merch for the artists who played the big stage. They put in two long days and did a great job! Thanks!

Hi there,

I just thought I'd let you know that the feedback from Us & Them (who all attended the Peter Karp/Sue Foley workshop today) was very, very positive. They loved all the information presented and particularly learned a lot during the sound check. Peter's guitar demonstrations were great and also his tips about songwriting (like never using cliches, etc.) provided the kids with something to think about when tackling lyrics.

Just wanted to send a quick thank you for exposing the kids to such wonderful teachers!

The BSO Presents

The 44's

Tuesday, September 18, 2012

Venue and Time TBA

The 44's are a Los Angeles-based band who play blues-roots-rock music. **The 44's** are one the brightest rising stars on the American blues roots scene. Make no mistake about it. The raw rough and tough sounds generated by these four expert musicians during live performances and in the making of their Sophomore album **Americana**, on the Rip Cat label, demands to be heard by Blues music fans World Wide. They evidence a genuine gift for creating blues in the moment while at the same time showing loyalty to a remarkable blues-and-r&b tradition that goes back decades through the James Harman Band and the Red Devils to storied greats like Howlin' Wolf, Albert Collins, and Muddy Waters. They've

become a favorite band of club and festival crowds across North America.

The 44's seem to be literally exploding across the Blues scene as a fully formed and functional unit commanding audiences with their in your face, yet highly contagious musical sound. Their first Release **"Boogie Disease"**, Was self produced for \$800 with the Help of Guitar Great Kid Ramos (The Fabulous Thunderbirds, The Mannish Boys) and was quickly snatched up and issued on Rip Cat Records, hitting a peak position of **No. 12 on the**

national Living Blues radio charts and **No.2 on BB King Bluesville Sirius/XM** Satellite Radio. Critical praise and industry recognition from the blues community soon followed. American Blues News Awarded the Band with **The Best Blues Band of 2011** and Blues Underground Network Awarded the Band with **Best Debut Album**.

They play vintage instruments and channel a blues style of days past, but there is a distinct Rawness to this blues award winning quartet. Each band member is in fine form. Johnny Main grounds his outstanding singing and guitar playing in real experience--his talent's as honest as the day is long. Tex Nakamura has forged his own stirring voice from studying Little Walter and other legendary harmonica mentors. Bassist Mike Turturro with his Gut String Bass and drummer J. R. Lozano's Vintage Ludwig Kit are as solid a team as any you'll hear, calibrating rhythmic flow with alertness and intelligence, never calling undue attention to themselves. For their one-of-a-kind blues, The 44's successfully mine the tension.

Kid Ramos say's of his experience with The 44's **"They play like their life depends on it and you can quote me" American Blues News Says "One of the Hardest working, hardest playing blues outfits anywhere."**

Touring Non-stop since 2010, they've garnered a whole new generation of first-time young blues- roots fans, as well as older ones who recognize the talents of these four musicians. The 44's are at the top of their game and with the much anticipated Sophomore Release "Americana" on Rip Cat Records. They have brought together a top notch cast of characters. Kid Ramos joins the band in the producer's chair and Guest Guitar Appearances. The Mixing Chair is being filled by the Legendary David Z (Credits Include Buddy Guy, Etta James, John Mayall).

The 44's were awarded the hardest working band of 2011 for a reason. Playing 200 Club and festival Dates in 2011. They will be continuing the same in 2012 in support of **"Americana"**

Stay Tuned for 2012 – the year of the Blues.

NEW MAGIC SLIM, DEANNA BOGART RELEASES OUT AUGUST 28th

Blind Pig Records has announced an **August 28th** release date for new recordings by **Magic Slim and the Teardrops** and **Deanna Bogart**, both of whom are past multiple winners of Blues Music Awards.

Magic Slim, turning seventy-five years young later this summer, proves on his newest Blind Pig release, ***Bad Boy***, that he can still deliver the goods. When it comes to complete mastery of the blues in all its aspects and truly genre defining power of performance, he is one bad boy with few if any equals on the scene today. In fact, he is considered by many to be the greatest living proponent of the intense, electrified, Mississippi-to-Chicago blues style that spawned much of the music played by modern blues artists and rockers.

Magic Slim's 75th Birthday Bash

The Zoo Bar • Sun, August 5 • 3pm – 6pm

Please help us celebrate Magic Slim's 75th Birthday!
The Lil' Slim Blues Band will be hosting and encourages
ALL musicians to bring their instruments!

Keyboardist, pianist, saxophonist, vocalist and songwriter Deanna Bogart is best known as an award-winning multi-instrumentalist and multifaceted musician whose fans value the eclectic diversity of her genre defying sensibilities and talents. For her latest Blind Pig release, Deanna has produced something unique in her recorded work, a beautifully intimate effort entitled ***Pianoland*** that spotlights her considerable skills as a solo performer.

Comprising instrumentals and vocal tracks, her own sparkling compositions and well-chosen covers by the likes of Errol Garner and Harold Arlen, and solo and small group arrangements, *Pianoland* stands as one of the highlights of Deanna's brilliant and varied career. Throughout, *Pianoland* combines technical prowess with Deanna's signature soulful and utterly honest delivery.

The 39th anniversary/Zoo Fest is in the books and these pictures and your memories are what are left for you to re-run thru your mind.

There were some challenges and issues to contend with like getting the street filled in and fixed, having Equator like heat conditions to deal with but all in all Pete Waters is smiling! Telling me it all went unbelievably smooth!

As with all events like this Pete wanted to thank first the fans who supported The Zoo Bar and all live music in Lincoln, his fellow business associates on 14th street for giving up their storefronts for the better part of 2 days and the incredible sponsors and volunteers who pulled together as one who make this Zoo Fest happen each and every year!

Pete and Jeff Boehmer of the Zoo Bar do a great job mixing up the music style and talent; this year was no exception... If

you could not find a style of music that would trip your trigger this year, you might just have a busted spring.

Zoo Bar veterans like Tinsley Ellis, The Bel-Airs, Candye Kane, and Brave Combo, took time out and sent personal messages to Larry Boehmer and the Zoo Bar for what this little Blues Club on 14th & P has meant to not only them but to the countless of entertainers that have stood on that tiny stage and took in the crowds

and all the historic posters left behind by both legends and locals.

Pete tipped his hand a bit towards next year's 40th anniversary blast and has begun to negotiate and send offers to some of the biggest names from the past like Rod Piazza, Dave Alvin, James Harman, Marcia Ball, I'd love to see Los Straitjackets complete with the Pontani Sisters in tow as well.

Let's not forget the local talent Lincoln has to offer groups like Honeyboy Turner, Mezcal Brothers, Lil Slim Blues Band, Levi William, Kris Lager, Tijuana Gigolos, Lloyd McCarter, Josh Hoyer, and Sean Benjamin, lord it just goes on and on.

Fellow Bluesman Moe Jasinski may have summed up the Zoo Bar the best... Ya know if Moe is not working he's usually at some sort of Blues event which includes many exotic settings far and wide, and this is what he tells people he meets at these events about the Zoo Bar in Lincoln Ne... "You may have your Palm trees, your mountains, your oceans, your climate, but I will put our Zoo Bar up against any in the world"... Well said Mojo, your next Morgan and Diet is on me.

I've been asked what was my favorite show? EASY, Monday thru Saturday is my answer... Thanks Zoo Bar, Thanks Larry Boehmer, and thanks to all of you who made it another success!

A little bit about FolkHouse...

For *most* shows, a fifteen or twenty dollar per person donation is suggested. ALL proceeds go directly to the performers. We are not a business and do not make any money from our concerts. If we were trying to make money, we'd have been out of business a long time ago! FolkHouse is simply a labor of love that gives us great pleasure by opening our home to music lovers and the artists we enjoy.

Sorry, we are not wheelchair accessible, this is our private residence (2440 Fontenelle Blvd. in Omaha), but if a person with disabilities would like to attend a concert, we will what we can to accommodate. Since the concerts are actually in our home, seating is limited. Please call or email in advance to reserve a seat. Plus, it gives us an idea of the size of the audience to expect on the night of the show.

If you would like to be added to our mailing list or placed on the guest list for an upcoming concert, please call (402)598-7955 or send an email to folkhouse@cox.net.

There is limited parking in our driveway and no parking is allowed on Fontenelle Blvd., but there is parking available on all the surrounding side streets. Coffee, soft drinks and light refreshments provided. Feel free to add to the snack table if so inclined. BYOB if you're over 21.

KELLY RICHEY BAND

Wednesday, August 22nd, The Zoo Bar, 6:00pm

Thursday, Aug 23rd-The 21st Saloon, 5:30pm

Kelly Richey has been described as "*Stevie Ray Vaughan trapped in a woman's body with Janis Joplin screaming to get out.*" That's an apt appraisal of the Lexington, Kentucky native who's been based in Cincinnati for many years. Richey has often been compared to such greats as Jimi Hendrix and Stevie Ray Vaughan because of her ability to capture and entertain an audience with ripping guitar leads that both sing and astonish.

Passionate and electrifying, Kelly Richey is a master guitarist. She has been compared to such greats as Jimi Hendrix, Stevie Ray Vaughan, John Mayer, Janis Joplin and Bonnie Raitt. A professional touring musician for over 30 years, Kelly enjoys playing traditional blues, blues-based rock, indie folk and ambient blues. Infusing the music with her own inimitable style, Kelly is unique and stands among the best guitarists known today. A powerful singer and songwriter as well, Kelly will astonish you with her scorching leads, powerful vocals, and solid, well-honed musical sensibility.
